

# Show Your Colors! Easy Fleece Throw

It's not shown here, but look for University of Oregon Ducks fleece at our stores, too!

We have fabulous fleece in our stores! You'll find great themed prints, college and pro sports prints and fun coordinating or contrasting solids. In June, I helped my college age friend, Atalie, make a blanket for her cousin who is attending Washington State University next year. We used some of our WSU fleece and a solid gray (about 1 1/4 yards of each). First we laid them out on the floor with wrong sides together and cut fringe (1" wide x 3 1/2" long) all the way around the edges and through both layers. At the corners, we cut out the "square" that was left and then we started knotting the two layers together fringe by fringe. We put on a movie, her brother and mom joined us and in about an hour we had a terrific cozy throw! It made a very thoughtful gift that I'm sure will be treasured. Try it! It made a very thoughtful gift that I'm sure will be treasured. Try it!

We have Cougar & Husky cotton, too! Stitch up a pillowcase or jammies to go.
