

Gift Card Holder

Supplies

Two 5" x 10" pieces of Contrasting Fabrics
5" x 10" piece of Lightweight Fusible Web
5" x 10" piece of Fuse a Shade Interfacing
Scraps of Fusible Web and Fabric for Design
Thread

Iron

Sewing Machine

Bear Thread Non-Stick Pressing Sheet

Assorted Snowflake Button or Sequin Stars for Embellishment

1. Fuse one piece of fabric and fusible web together. Peel off the paper.
2. Fuse the other piece of fabric to the Fuse a shade. Then fuse both pieces together.
3. Trace and cut out envelope shape. Stitch across top squared end.
4. Fold and press on line #1. Stitch 1/8" away from edge starting at bottom of pocket all the way around to the other side of the bottom.
5. Fold and press on line #2.
6. Trace desired design onto fusible web. Fuse onto fabric and cut out and fuse to front of envelope in desired design.
7. Embellish with buttons or sequins as desired.

Enjoy giving your gift card with a little handmade touch!
