

Sewing 101: How to Use a Sewing Machine

Beginner Sewists

Welcome to the world of sewing! In this class you will learn the basics of how to use a sewing machine and what the accessories that came with it are for. Those skills will then be put into use to make both an envelope pillow and a zipper pillow. We will provide sewing machines and basic sewing supplies for you to use. If you have a sewing machine lurking at home that you want to learn how to use, please make sure it is in working order before class and bring your manual.

You will be met at the door and let in before the store opens
