

Tree Skirt Class

Advanced Beginner/Intermediate Sewists

There's nothing quite like a handmade Christmas tree skirt. It's an easy way to add additional color and pattern to your home while hiding the functional but not exactly beautiful tree stand. It allows you to showcase one of our Christmas collections or you can build your own compilation. This class is great for beginners as we will go over sewing basics and dabble in some light quilting. I know bias binding can be intimidating and time consuming to some so we will skip it and still end up with a fabulous looking tree skirt.

You will be met at the door and let in before the store opens
