Stripes Blocks

**Note:** Use a ¼" seam allowance for all stitching.

1. Draw a diagonal line on the wrong side of each 2½" light wing square and 2" white square. Set aside 8 light wing squares and the white squares for Corner blocks.

2. Place a marked light wing square right sides together on opposite corners of each 4¾" white square. Stitch on the lines. Trim seam allowances ¼" from the stitched lines. Press the light wing triangles open. Cut the squares in half on the unpieced diagonal to make 64 pieced triangles.

3. Center and sew a pieced triangle to opposite long sides of each 1½" x 7½" dark wing strip. Press seams toward the strip. Trim the strip ends even with the edges of the pieced triangles to complete (32) 4½" x 4½" Stripe blocks.

4. Place a marked A rectangle right sides together on the right end of a 2½" x 4" white rectangle. Stitch on the marked line. Trim seam allowance ¼" from the stitched line. Press the dark wing rectangle open to complete a 2½" x 4½" angled A unit. Repeat to make 4 angled A units. Repeat to make 4 angled B units, placing the marked B rectangles on the left end of the white rectangles.

5. Place a marked 2½" light wing square on the white end of each angled unit and a marked 2" white square on the dark wing rectangle end. Stitch on the marked lines. Trim seam allowances ¼" from the stitched lines. Press the light wing triangles open with seams toward the triangles. Press the white triangles open with seams toward the dark wing pieces to complete 4 each A and B units.

6. Sew an A unit to a B unit to complete a 4½" x 4½" Center block, matching the dark wing pieces to form a point. Press seam open. Repeat to make 4 blocks.
**Quilt Assembly**

Refer to the exploded quilt diagram as needed throughout the following steps.

1. Sew the 1½” x 34½” white strips to the long sides of the panel rectangle. Press seams toward the panel. Stitch the 1½” x 20½” white strips to the top and bottom to complete the 20½” x 36½” panel center. Press seams toward the panel.

2. Sew a Stripe block to a 4½” blue fairy square to make a 4½” x 8½” blue block unit. Press seam toward the square. Repeat to make 8 blue block units and 8 reverse blue block units. Repeat with the 2 remaining blue fairy squares and 2 Center blocks to make 2 blue center units.

3. Repeat step 2 with Stripe blocks and Center blocks and the 4½” purple fairy squares to make 8 purple block units, 8 reverse purple block units and 2 purple center units.

4. Join 2 each blue, reverse blue, purple and reverse purple block units with 1 blue center unit to make an 8½” x 36½” side strip. Press seams to 1 side. Repeat to make a second side strip. Sew the strips to the long sides of the panel center. Press seams toward the strips.

5. Join 2 each blue, reverse blue, purple and reverse purple block units with 1 purple center unit to make the 8½” x 36½” top strip. Press seams to 1 side. Repeat to make the bottom strip. Stitch the strips to the top and bottom of the panel center. Press seams toward the strips.

6. Sew the (3) 2” WOF white strips short ends together to make a long strip. Press seams to 1 side. Cut into (2) 52½” strips. Stitch the strips to the long sides of the quilt center and the 2” x 39½” white strips to the top and bottom. Press seams toward the strips.

7. Stitch the (3) 1½” WOF dark wing strips short ends together to make a long strip. Press seams to 1 side. Cut into (2) 55½” strips. Sew the strips to the long sides of the quilt center and the 1½” x 41½” dark wing strips to the top and bottom. Press seams toward the strips to complete the quilt top.

8. Remove the selvage edges from the backing pieces. Join the pieces on the long edges with a ½” seam allowance. Press seam open. Trim the side edges to make a 49” x 65” backing piece.

9. Layer the top with the backing and a 49” x 65” batting piece. Quilt as desired. Trim edges even with the top.

10. Prepare dark wing binding and bind edges using your favorite method to complete the quilt.
