Label each of the 12 fabrics "A" through "L".

1/2 yard Tonga binding

2½ yards Tonga backing

44" x 56" batting

## Cutting

*From each of the twelve fat quarters:*

- Cut two 7¼" squares. Sub-cut each square twice diagonally to make eight quarter-square triangles (QST).
- Cut two 6⅞" squares. Sub-cut each square once diagonally to make four half-square triangles (HST).
- Cut eight 2½" squares.

*From binding fabric:*

- Cut five 2½" x width-of-fabric (WOF) strips for binding.

## Block Construction

*Each block is made from one HST, two QST and two 2½" squares. Instructions are given for the blocks that use fabrics A through E. Refer to the quilt layout for the fabric placement of each component in the other blocks.*

1. Sew together one B QST, one C QST and one A HST to make one BCA unit. (figure 1)

2. Right sides together, place a 2½" D square on the upper right corner of the BCA square. Sew across the diagonal of the smaller square from the upper left corner to the lower right corner. (figure 2) Flip open the triangle formed and press. (figure 3) Trim away the excess fabric from behind the triangle, leaving a ¼" seam allowance.
