

# American Sewing Guild

September 23, 2017

Dear Steve,

*The Nassau/Queens Chapter of the American Sewing Guild, thanks you for making our latest charitable endeavor a huge success. On September 16, 2017, you graciously opened the doors of Sew Right to the members of our chapter as we sewed pillowcases for Ryan's Case for Smiles.*

*In addition, you added our event to the Sew Right calendar and allowed Laurie to spread the word with our flyer. Because of this, non-members of ASG, who are Sew Right customers stopped by to help with our efforts. The result? An astounding 65 pillowcases were completed in one day for donation to Ryan's Case for Smiles.*

*Cooperative endeavors of local retailers along with chapters of the American Sewing Guild, help to spread the word about the joys of sewing, as well as aid in making sewing more visible through our charitable donations.*

*According to Evelyn, our chairperson for this event, Laurie's help was invaluable in planning, organizing and running this event. Our thanks extend to Laurie, too. We also appreciate the efforts of the other members of the Sew Right staff who helped ensure that the day ran smoothly.*

*Thank you again for being open to our suggestion of a shared event. It would never have been so successful without your help.*

*With great appreciation  
Laura Adler, President  
and*

*The Nassau/Queens Chapter of  
the American Sewing Guild*
