Instructor: Elsa Hopman

- Elsa is a qualified Instructor of Silhouette Patterns and LCD Draping, as taught by Peggy Sagers of the PBS Program Fit2Stitch. Silhouette Patterns is a pattern line for fitting everybody, every age, everybody shape **up to 53" bust/hips**, every cup size. We will use a method for fit used by designers for a long time ...now available to the home sewer!

*Please arrive 5—10 min. before to set up,
and allow for 15 min cleanup
Let us know ahead if you need special seating*

Note: We use **Silhouette Pattern #600**. We start with the Classic Blouse because the fit is simple. The front and back both have optional waist darts, and you will have no wrinkles at the bust! The sleeve size you like can be used in every other Silhouette blouse pattern!. There are many blouse styles to try after this, including shaped 2pc sleeves, shawl collars, jacket styles etc, all altered the same amounts!
