

## Hello Everyone,

I wanted to send quick update about store hours and services as we all navigate these uncharted waters.

**1. Classes are postponed** until further notice. We will reschedule everything as soon as possible. If not possible, you will receive a refund or store credit - your choice.

**2. Hours of operation** are changed to the following:

**Fort Collins - Open daily 10-3** until further notice. If you need to come later, or have curbside drop-off or pickup, just give us a call and we'll make that happen. We can also do limited area pick-up and delivery for merchandise, supplies and repairs. Give us a call at **970-472-1822** or use the **Contact Us tab on the website [maggiessewvac.com](http://maggiessewvac.com)** if you need this service. As long as we can do this without putting anyone at risk, we will. Please do not come inside if you have any illness symptoms or have been exposed.

**Longmont - Open M, W, F, Sat 10-3. Closed Tues and Thurs.** If you need supplies, machines, fabric, or repairs, call us at **303-651-7752** or use the **Contact Us tab on the website**. We'll do our best accommodate you in the store or curbside, and we can do limited area deliveries. We will continue this service as long as we can keep everyone safe. Please do not come inside if you have any illness symptoms or have been exposed.

## 3. Facebook and Instagram

Stay tuned! Rhonda will be working from home to keep both of these sites going. Let us know what you're working on and please send pictures. We can all stay connected and feel less isolated if we share our creative projects and talents!

## 4. Website

Becky is working diligently to update the website. She will post updates and we'll have calendar information there as well.

**Finally**, I know this is a difficult time for everyone. Let us know what we can do to support you. I will send email updates as things change. Thanks so much for being our customers and our friends! We value and appreciate each one of you. Without your support, we wouldn't be here. If everyone does their part, we will get through this together in time. It's just going to take some time.

Stay safe everyone - Hugs and blessings coming your way!

Maggie, Ty, Rhonda, Margaret, Bill, Morgan, Bob, Brittany, Maryellen, Mike, Becky, Troy and Teddy
