

# Unique Sewing Furniture

## Manufacturers of Semi-Custom Wood Sewing Furniture

Unique Sewing Furniture is just that, unique. It is designed with functionality and quality in mind.

### Functionality

- The cabinets are designed to accommodate your machine perfectly, positioned so that the user sits directly in front of the machine
- The drawers glide open fully, no wasted space at the back of the drawer
- The standard work surface depth is 20" – 24"
- Tables can be ordered 2" taller, or 2" shorter than standard height for a custom fit

### Quality

- No particle board is used (except the tops with melamine)
- English Dovetail Drawers
- All interior construction is glued and screwed together for durability
- All casters are twin wheel plate and are screwed into solid wood cleats
- Top coating is a non-yellowing, catalyzed formula that is water and chemical resistant

While we have a variety of the options available for you to see in our stores, there are many, many more to choose from. Come in and take a look at the catalog, or check out the [Unique Sewing Furniture website](#).
