Kira Quilt - \$20.00

Using the pattern from GE Designs you will be making this beautiful quilt. Although it looks complex, the construction is actually very easy. It can be made using either 10" squares or yardage. The pattern has a multiple of size options available and once you have the blocks made changing the layout will give you many different looks. We have scheduled it for three weeks so you have plenty of time. This is a great beginner project. Pattern and supplies are extra.

Thursday, November 14th 1pm to 5pm

Keep It Tidy \$10.00

Make a great little garbage catcher for your car. The straps go around the headrest or the shifter in your car to hold it in place. The opening at the top has elastic to hold everything in and the Velcro opening at the bottom makes it easy to empty. It is also completely washable. Makes a great gift! Pattern and supplies are extra.

Thursday, December 5th 1pm to 4pm and 4pm to 7pm

Holiday Stars \$15.00 (includes pre-cut fabric kit)

This is a fun little holiday project. We will have everything cut out so you can start sewing right away. You will need the Holiday Stars pattern from Poor House Designs. The kit is for the medium sized 8 point star which finishes about 7 inches. The pattern also has options for a small and large star with either 6 or 8 points. Great for decorating.
