

2018 Block of the Month - Seasons

Finished size 72" x 72"

Starting February 1st, 2018 through November 2018

Our 2018 Block of the month takes you on a journey through the seasons. You will complete 9 blocks and at the end add the sashing and border. The initial fee of \$39.50 reserves your fabric and pays for the first month. Each month after that bring in your completed block by the 10th and pay \$5.50 to receive the next kit and pattern.

You can make your reservation anytime between now and January 25th. The sample quilt can be seen in the store starting in Mid-December.
