2021 Block of the Month

Registration for our 2021 Block of the Month begins on 10/15/2020 and the first block will be ready on 02/01/2021. A deposit of \$45.00 will be required when signing up and there will be nine additional monthly charges of \$5.00 from March through November. Total cost is \$90.00. This year we will be making our quilt entirely from the Grunge line by Moda Fabrics.

Cost includes fabric to make the top as shown and all patterns. Each kit will have a full color pattern and fabric precut into strips to make cutting easier. Each block can be picked up on the first of each month. If you complete your block prior to the end of the month you can bring it in to receive your next block.
