

## Longarm Rental

---

- \$50.00 for introductory lesson – we supply material and batting with instruction on free motion and computer aided stitching
- \$25.00 per hour rental -
- Backing fabric needs to be 6" longer and wider
- Batting needs to be 4" longer and wider

During the introductory lesson, you will be instructed on how to mount a quilt on the quilting frame, basic operation of a longarm machine, basic free motion quilting and how the computer aided stitching operates.

After the introduction, you can reserve time to quilt your own projects. There will always be someone available to answer questions and provide additional instruction on the operation of the machine as you work. You are welcome to use our thread. We have many colors available.

We carry some batting in stock at the store for purchase or you are welcome to bring in your own.

For more information or questions, contact the store at (440) 984-1444 or email [darlene@momssewingbasket.com](mailto:darlene@momssewingbasket.com).
