Have you ever wanted to get away with your friends for a retreat, but didn't have time to go far? Or maybe you want to teach a class, but don't have the space? Now you can come to Mom's Sewing Basket and enjoy our new retreat center. We have a large classroom area, with cutting area and ironing tables as well as individual work areas. Also, if you need sewing supplies, just come next door to our store. For other crafting needs, there is a Michael's store in the same shopping center and Stamplicious which carries a large selection of papercraft supplies.
