Ursa™

Embroidery Machine

8" x 14" Embroidery Field

Embroider larger designs without having to re-hoop your fabric with the 8" x 14" (200mm x 360mm) hoop.

914 Built-In Embroidery Designs

You'll always have something to embroider with Ursa's wide-range selection of built-in designs. Categories include Quilting, French Knot, Couching, 7 large decorative fonts, 23 standard fonts, Crochet Lace, 3-D Applique, and more.

2-Point Positioning

Use the Needle Beam to check various points of your embroidery design. For projects requiring placement or alignment, use the 2-point positioning function to automatically move and rotate your design into position.

Couching Font and Crochet Couching

Add dimension and texture to your embroidery projects with Ursa's embroidery couching alphabet or crochet couching designs.

Resizing with Stitch Recalculation

Ursa's editing tools allow most embroidery designs to be sized down to 60% or sized up to 200% with consistent density as the stitches are recalculated.

WLAN Capabilities

Ursa's WLAN features allow you to update the machine's software, transfer designs from Design Database Transfer (a free download) and Palette 11 (separate purchase), and monitor your project using the IQ Intuition Monitoring® app.
