FREE-MOTION FEATHERS WITH JANE

Tuesday May 26, 10 AM - 4 PM

Ready to master the art of beautiful free-motion feathers? Join Jane for an immersive, all-day workshop designed to build your confidence and elevate your free-motion quilting skills.

Each participant will have their own machine for the entire class, allowing for maximum practice time and personalized guidance. Jane will break down feather quilting into simple, manageable steps – from foundational shapes and spine construction to smooth backtracking and elegant variations. You'll learn how to develop control, improve stitch consistency, and build the muscle memory needed for flowing, graceful designs.

Throughout the day, you'll practice a variety of feather styles and layouts while strengthening essential free-motion skills like spacing, traveling, and filling shapes. By the end of class, you'll head home with a beautiful feather sampler that showcases your progress and new techniques.

Suitable for longarm owners and domestic machine quilters, this class will help you stitch with confidence and creativity. Whether you're new to feathers or ready to refine your style, prepare to be inspired and leave itching to get home and keep stitching!

Class fee: Early bird pricing \$150, after April 11th \$175.

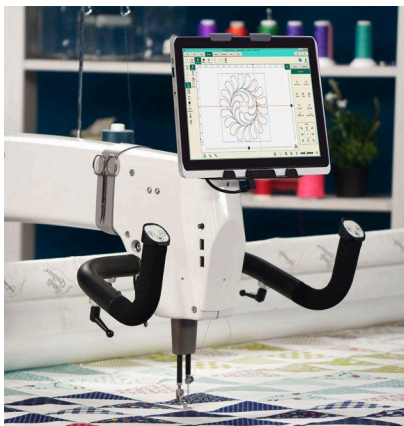

ADVANCED PRO-STITCHER WITH SARA & JANE

Wednesday May 27, 10 AM - 3 PM

Ready to take your Pro-Stitcher skills to the next level? Join us for this advanced, hands-on workshop designed for quilters who are already comfortable with Pro-Stitcher and want to elevate their creativity and precision.

This class focuses on expanding and refining your use of Pro-Stitcher's powerful editing features. Learn how to customize designs, combine and modify patterns, adjust layouts with confidence, and use advanced tools. You'll explore techniques that move beyond basic placement and into intentional design decisions that reflect your unique quilting style.

With two participants per machine, you'll benefit from collaborative learning while still enjoying plenty of guided, hands-on practice. Sara and Jane will share practical tips, creative strategies, and professional insights to help you achieve polished, standout results.

If you're ready to build confidence, develop your personal style, and truly excel with Pro-Stitcher, this class is for you.

Class fee: Early bird pricing \$150, after April 11th \$175.
