

Keeping Students Safe in Kindred's Classroom

General Guidelines

Masks are mandatory and must be worn at all times, unless eating or drinking

Sanitize hands at the door and regularly throughout the day

Staff will disinfect surfaces (including chairs, tables and irons) before and after each class

Students will follow all public health guidelines for safe distancing from other students, instructor and store staff

There will be a maximum of 5 students per class

Classroom Set-Up

The store will provide each student with their own 30 x 60" workspace, cutting mat, iron and ironing surface.

Students must bring their own rulers and cutters.

All totes and bins will need to fit on or under your table to keep traffic areas as open as possible for social distancing.

Kitchen & Bathroom Use

The kitchen is closed. Please bring food, drinks and cutlery with you. The fridge will not be available.

The bathroom is open. We ask that you wipe facilities used with provided supplies before exiting the bathroom.
