## Making the Topper:

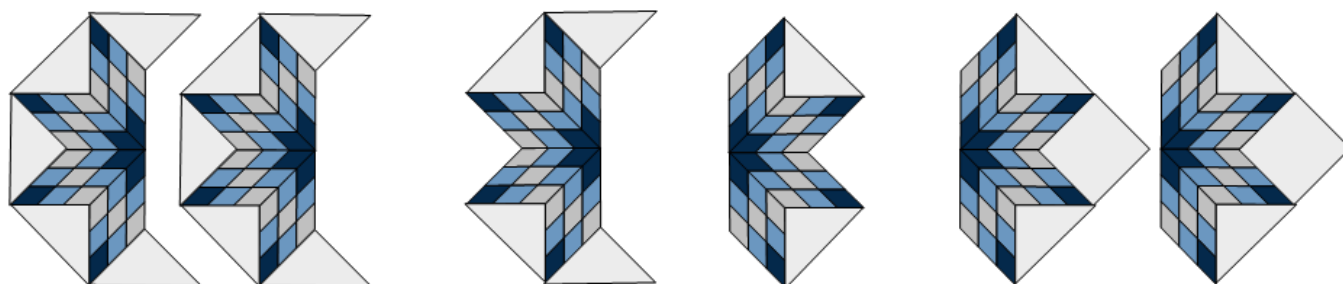

1. Collect your diamond shapes. Stitch into three rows. Press seams open.
2. Stitch the three rows together to make a larger pieced diamond. Press the seams open. Make 24 of these pieced diamonds.

3. Stitch the pieced diamonds into pairs. Press open.
4. Stitch the pieced diamond pairs into sets of 4. Press open.

5. Attach the background triangles and background squares as shown to make the units. You will need to stitch y-seams to attach these pieces.

6. Stitch the units together to make the table topper.

7. Quilt and bind as desired.
