

Kindred Spirits Safe Shopping Experience

Thank you for your patience and understanding as we all navigate these unprecedented times. We are eternally grateful for your support during these last few weeks and are looking forward to seeing you soon!

Stay at home if you are sick.

Please stay home if you are sick or have recently been in contact with someone who is. If you display obvious signs of being sick, you will be asked to return when you are feeling better.

Limit shopping time.

Only 5 guests will be allowed in the store at a time, in order to maintain a safe shopping atmosphere. As such, please limit your shopping time to 30 – 45 minutes to allow other customers a chance to shop. We anticipate being very busy after this prolonged closure and would like to serve as many of our wonderful customers as possible.

Practice social distancing.

Practice social distancing in the store and while waiting to get in. Stay 6 feet apart from others as much as possible.

Methods of payment.

We prefer that you use credit or debit cards with the tap payment option instead of cash to minimize contact between staff and customers. Due to safety concerns, no returns will be accepted at this time.

Keep hands clean.

All shoppers must sanitize their hands as they enter the store. Sanitizer is available. Gloves will not be permitted.

Online shopping is available.

Online shopping will continue to be available as a safe and convenient option with in-store or curbside pick-up.

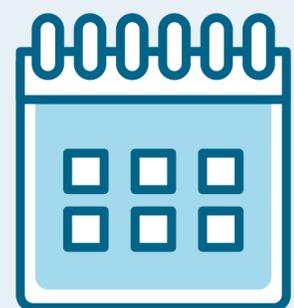

Plan your trip.

Public restrooms will not be available. Plan your trip accordingly. Customers will not be permitted in the classroom, kitchen or bathroom areas for the safety of our staff.

Classes will be rescheduled.

We cannot reschedule classes until further government guidelines become available. We will gladly refund fees if you are unable to attend the rescheduled class.

Consultations available.

For customers requiring an in-depth consultation, we would be happy to book an appointment with you.

Coming Soon

Unfortunately our product selection is less than it would be normally. Most of our suppliers are only just re-opening their warehouses, so we are behind in receiving shipments. We will gladly make note of items that you would like and contact you when things are back in stock. Rest assured that the store will be filled with exciting new fabric within 3-4 weeks!
