Orientation, Classroom & Pool Training – 2019:

Choose your scuba certification; easy as 1 – 2 – 3!

STEP #1

Registration

You begin your class anytime! The knowledge Development Portion of the course is designed so you can learn at your own pace and when it's convenient for you. Choose eLearning online or the standard PADI dive manual.

STEP#2

Confined Water – Pool

Choose a week for your Orientation, Classroom, & Pool Sessions (below). Develop and practice scuba skills in the pool. As you learn new skills, you'll build the abilities and confidence needed for diving in open water.

STEP #3

Open Water Dives

Choose a weekend for your Open Water Dives! Get ready to experience everything you've learned. As soon as your open water training dives are approved by your instructor you will be a PADI certified Open Water diver!

Or create your own class by setting up private training to fit your schedule!

Planning a trip? Open Water Referral Students can sign up for any Classroom and Confined Water Sessions in preparation for completing Open Water Dives at any PADI facility around the world!

The deadline to sign up for a class is 10 days before the first class date.
Times and locations are subject to change.

Diving is better with buddies! Each of our classes must reach a minimum of 4 students per class, otherwise the class is subject to cancellation one week before the start date. So, invite your friends and learn to dive together!
