Sit comfortably for hours while quilting, sewing, reading, driving, and more. The Gypsy Sit Upon Can be used on hard or soft chairs, recliners, car seats or anywhere you sit for an extended period of time. This softly inflated flexible disc acts like an exercise ball - preventing fatigue and reducing pressure on the tailbone. Relieve lower back pain, strengthen your core muscles, and improve your posture the easy way. The nubby texture allows cool air flow and promotes improved blood circulation.
