4/3/17 – Kimberbell Embroidery Club – Peek-A-Boo Bunny. Lois Nordyke, Instructor. We are starting an embroidery club to create some really adorable, simple, quick projects. The first one is a peek-a-boo bunny on a tea towel. The embroidery is adorable and an easy project for a beginning embroiderer.

4/4/17 – Hexagon Shuffle. Tina Landskroener, Instructor. Students will need a hexagon or half-hex ruler, a 60-degree ruler and the pattern which is sold at Sew What. If you have a Hex and More ruler from a previous class, it will work perfectly. Come and pick up your free pattern before class and you can get your hexagons cut prior to class.

4/6/17 – Sewing Machine Cover. Tina Landskroener, Instructor. This is a great pattern for a beginning sewer and a practical project to make a custom cover for your sewing machine. Match your fabric to your sewing room!!

4/7/17 – Sew What's FREE Tonight? Lois Nordyke, Instructor. Come join us at Sew What for a fun, free evening of stitching! We will be providing you with a free pattern and we will be making a project in one evening. Come by the store to pick up your pattern and fabric requirements in advance and then join us for a free night of stitching and conversation. We will be making Drawstring Bunny Bags.

4/11/17 – Kimberbell Pillow – "May Flowers". Shavon Standifer, Instructor. This will be a block of the month program designed around the Kimberbell patterns for a bench pillow (16" x 38"). Each month we will make a different design and the pillow tops can be rotated during the year and for special occasions. There are instructions available for machine embroidery and for applique as well, so you can choose the method that you like best. Come and join the fun. Pillows and designs are available for purchase at the store.

4/12/17 – Kimberbell Little Cuties Table Topper "May Flowers". Shawn Hodges, Instructor. Fun. Fast. And finished! The Kimberbell Cuties pattern book has the step-by-step photo instructions for simple piecing and fusible applique with a sewing machine. If you'd like to machine embroider each applique, you may be interested in the optional Kimberbell Cuties Companion CD sold separately.

4/13/17 – Free Motion Quilting. Lois Nordyke, Instructor. Would you like to be able to quilt your own projects when they are completed?
