**5/1/17 – Kimberbell Embroidery Club – Checkity-check Check Composition Notebook.** Shavon Standifer, Instructor. We are starting an embroidery club to create some really adorable, simple, quick projects. This month's project is a cover for a composition notebook. You will turn a simple composition book in to the most adorable place for do-do lists. This is made completely in the hoop. Imagine one sewn in Christmas fabrics for Santa's checklist or your holiday shopping. The embroidery is adorable and an easy project for a beginning embroiderer.

**5/4/17 – Tea Towel Thursday.** Tina Landskroener, Instructor. This will be a machine embroidery project. Sew What Shoppe is now carrying toweling on the bolt, so you can make a towel, table runner, placemats all to match. The design for May will be the watermelon design from the Kimberbell Mug Rugs Volume 1 CD.

**5/5/17 – Sew What's FREE Tonight?** Shawn Hodges, Instructor. Come join us at Sew What for a fun, free evening of stitching! We will be providing you with a free pattern and we will be making a project in one evening. Come by the store to pick up your pattern and fabric requirements in advance and then join us for a free night of stitching and conversation. We will be making a **rotary cutter case**.

**5/6/17 – Show and Tell Sewcializing.** Bring a completed project that you have made to show the group. Shawn will have donuts, orange juice and coffee here at 10 a.m. Show and Tell starts at 10:30. If you share a project, you can receive 20% off one regular-priced item in the store.

**5/10/17 – Kimberbell Mylar Flower with card.** Gloria Ludwig, Instructor. Come in and take a look at the cute card that Gloria made with a 3-D Mylar flower on the front. This is a machine embroidery design that is adorable.

**5/11/17 – Technique Thursday.** Lois Nordyke, Instructor. We will be teaching two methods of applying binding to your finished quilt.

**5/13/17 – Tuffet.** Kim Dryden, Instructor. We have kits made up already with everything you need to make an adorable footstool. All you need to bring is your sewing machine and fabric. Call the store and get cutting instructions for your fabric so you are ready to sew when you get here. Complete this project in one day and take it home and use it. Let us know what finish you want on the feet of your tuffet and we will have those ready for you as well.

**5/15/17 – Free-Motion Quilting.** Lois Nordyke, Instructor. Would you like to be able to quilt your own projects when they are completed? Learn the basics of free-motion quilting on your domestic machine. Bring your sewing machine, two quilt sandwiches to practice on, your walking foot and your darning foot and we will explore the possibilities.

**5/16/17 – Ruler BOM.** Ann Phlipsen, Instructor. The Ruler BOM group that had been meeting at Simply Sewing will be meeting at our store until their project is completed. New students are welcome. \$10 class fee is payable to the instructor.

**5/17/17 – Kimberbell Pillow – "Watermelon".** Shavon Standifer, Instructor. This will be a block of the month program designed around the Kimberbell patterns for a bench pillow (16" x 38"). Each month we will make a different design and the pillow tops can be rotated during the year and for special occasions. There are instructions available for machine embroidery and for applique as well, so you can choose the method that you like best. Come and join the fun. Pillows and designs are available for purchase at the store. Please piece your background fabric prior to class.

**5/22/17 – Tile Scene.** Gloria Ludwig, Instructor. Have you admired machine embroidered tile scenes? Come and stitch some blocks and create something beautiful. The first session is \$20. If you are started a tile scene at one of our classes, your additional sessions are just \$10. We have designs available or you may bring one of your own.

**5/23/17 – Software Club.** Ann Phlipsen, Instructor. This class is for owners of Premier Plus Software for Husqvarna. \$10 class fee is payable to the instructor.

**5/24/17 – Kimberbell Little Cuties Table Topper "Watermelon".** Shawn Hodges, Instructor. Fun. Fast. And finished! The Kimberbell Cuties pattern book has the step-by-step photo instructions for simple piecing and fusible applique with a sewing machine. If you'd like to machine embroider each applique, you may be interested in the optional Kimberbell Cuties Companion CD sold separately.

**5/25/17 – Leaf Centerpiece.** Gloria Ludwig and Tina Landskroener, Instructors. This cute centerpiece can be made by machine embroidery OR your regular sewing machine. We will be teaching both methods. Might be interesting!!! Let us know which method you will be utilizing when you register for class.

**5/27/17 – Stained Glass Wall Hanging.** Tina Landskroener, Instructor. Come and learn this unique technique which is basically a quilt-as-you-go project. Tina will be teaching the Cardinal design.

**5/31/17 – Kimberbell Pillow – "Happy Birthday".** If you missed this class earlier, we are repeating it. Do you have some birthdays coming up? What a fun decoration for the birthday person. Bring your embroidery machine or your sewing machine (if you want to make the applique version). Be sure to call the store if you need us to order a design for you.
