

# July 2018 News

Hi All,

July Member Special is 20% off Regular Width Flannel!!

This year we are having a “Bag of the Month” Class. July’s bag is “Road Trip Tote”. Learn to make this tote and make road trips easier and more organized. It’s a fun bag to do, and is very handy! This is a 2-day class, and we are offering it twice. Friday & Saturday July 6 & 7, and Wednesday & Thursday July 25 & 26.

Tuesdays are “Drop-In Tuesday”. You are welcome to stop in and sew whatever you wish! We have a lot of fun, and we feed you lunch as well. The fee for this is \$25 per day. Please let us know if you are coming so we can plan our meals.

We have a great selection of pre-cuts in stock. Layer cakes, charm packs and jelly rolls – there is something for every taste. These are a great choice if you are quilting at the lake or cabin this summer!

Big changes are happening at MaMi’s. After 25+ years, we have decided to resign our Canada Post contract, giving us more room and time to spend on the quilting/fabric end of our business. We hope to have the boxes etc. gone by the end of July, but for sure the change will be happening in Fall 2018 at the latest.

We now have a very active Instagram account-please follow us at [mamiscountryquilts](#). Buttons appears pretty much daily, along with some of our daily activities.

Like us on Facebook to see the newest products and projects. Starting in June, we will be having a fun Facebook post with “Can you find Buttons”? Be sure to comment and share.

As our website coupons are not working, if you are a Quilt Club Member and wish to shop online and receive your discount, please call the shop at (306) 467- 4453 and we will help you with the discount.

We have some great Judy Niemeyer patterns in stock. Many of these are new releases, and some can only be purchased at a certified store.

Just a reminder for those who aren’t aware of the Quilt Club Membership we offer:

We have a membership program available to offer savings to our clients. It can be used online, in-store, and for phone orders – and no extra card to carry!! For an annual fee (beginning the day you purchase the membership) of \$25, you receive 10% off all products (excluding sewing machines), and an added special each month. We offer 20% off specials on most departments in the store-notions, batiks, wide-backs, patterns, flannel etc. on a monthly rotating basis. If you are interested in becoming a member, please search the website for: Membership and purchase through the site. Once we receive this
