Ride for Marnee

Michele will be dedicating her first 100km bike ride to help support Marnee Gehon with her fight against cancer!

Help Support Marnee Gehon

As some of you may know, Marnee Gehon has been fighting Lymphoma for the last few years. And just recently, she has started another round of treatments. Marnee has been such a great friend and we want to do what we can to support her during this trying time. She was one of MaMi's very first customers and has since become a very loyal staff member. Marnee is always thinking ahead and has the store's best interest at heart. Her ideas and aspirations for MaMi's have been greatly appreciated! Marnee has such a positive outlook on life, even when she is dealing with her own struggles. Her laugh is infectious and her excitement for life keeps us all going!

In efforts to raise funds and show support for Marnee during this difficult time, Michèle Fiolleau will be dedicating her first 100km bicycle ride.

All proceeds will go toward helping Marnee pay for her medical bills.

If you want to show your support, you can donate through our GoFundMe page:

gofundme.com/f/ride-for-marnee

You may also drop off pledges at the store if you wish! Any amount is greatly appreciated and will surely make a difference.

Michèle will be travelling from Duck Lake to Osler during her 100km

Depending on how the weather behaves, Michèle would like to aim to complete her ride someday during September 16-22. Keep updated with us via Facebook and Instagram for more details.

This means you can bring your on-going Paper Piecing projects to this class if you are needing more help OR you can start a new pattern of your choice! Michele will be in the classroom teaching on Wednesday.
