

RANDOLPH TOWN BOARD MEETING

Town of Randolph Office
Recorded on Office Laptop
February 11th 2026 @ 6:30 PM

BOARD MEMBERS PRESENT: Mayor Sim Bell
Kathy Argyle
Brandon Miller
Brandon Hatch
Clay Barker
Kaleb Thomson
April Groll (clerk)

ABSENT: None

GUESTS: Travis Hobbs

Mayor Sim Bell opened the meeting at 6:30 with the pledge of allegiance. Travis Hobbs is here to discuss Wildland Fire Interface Code. The town will need to adopt the Wildland Interface Code to comply with house bill 48 that just passed. Once we adopt it, we will be in compliance with the State code. Travis gave us a map of Randolph City with the Wildland Urban interface. We will need to have a public meeting to adopt this ordinance. We will do this at our March town board meeting. Travis will forward us the email from BRAG with the code in ordinance format.

April asked if there are any questions on the minutes from January. There were not. Kathy made a motion to accept the minutes. Clay 2nd. All in favor. April read the bills. Brandon Miller made a motion to accept the bills. Kathy 2nd. All in favor.

Sim said that we need to fix some of the zoning areas in Randolph. April will ask the planning and zoning board at the next meeting.

Brandon Miller brought some quotes for the tennis court surfacing and fence. He reviewed those with the board. There are a few questions that we need to ask the companies. Brandon will contact them and then get back to the board with the answers.

Next on the agenda is updating ordinances. It was decided that we would wait on the food truck ordinance. We will have a public meeting next month for the well ordinance. Protecting our water supply and the surrounding areas was also talked about.

Clay mentioned that in the school parking lot there is a part of the asphalt that is sunk down. We will need to fix it. Clay asked Kaleb if the water valve on 1st West and Canyon Street is broken. Kaleb said that it is and that there are a few more that also needs to be fixed. He wants to do valves and hydrants this summer. Some town residents have complained about not having good water pressure. Kaleb will check the water pressure at the meters and see what material their side is made of.

Overdue water bills were discussed.

The Town Easter Egg Hunt will be held on Saturday, April 1st at 1 PM. We will meet to set up at noon.

April asked if everyone had a chance to look over the IT and Computer Security and Cash Receipting and Depositing Policies that she emailed. She thinks that some of the things on the Cash Receipting and Deposit Policy will need to be changed because she is the only employee in the office. She will check with our accountants.

Sim brought up that there were Reservoir shares available. He thought maybe we could ask for tourism grant money to buy some shares. Maybe do a fishery. Kathy said we could do an ice fishing derby. Everyone agreed on looking into buying some shares. Sim will check and see if the shares are still available.

Kathy made a motion to close at 7:54. Clay 2nd. All in favor.
