Absent: Scott Ferguson, Glenn Smith

Others Present: Melanie Limb, Haldane & Karen Gray

Don Dalke called the meeting to order at 7:00 pm. We discussed the minutes from the last P&Z meeting of December 1, 2021. They were moved to be approved by Don with Tammy seconding, and approved unanimously.

The floor was given to Haldane and Karen Gray to explain their reason for coming to P&Z meeting. They are wanting to build a house for their son, Skyler on their other lot. They are not sure if it will be a double wide trailer or a house but they said the dimensions are 30 feet by 60 feet and brought in a map that they have drawn where the house or trailer will be. There was some confusion on which lot their house is on. April checked the next week and it has been recorded wrong in the Recorder's Office. Don Dalke moved to accept their plans as stated and Tammy seconded, approved unanimously.

Jayson and Melanie Limb were given the floor to explain her reason for being here. They are wanting to add an addition to the back of their house. When that is done, they will live in that portion and tear down the old house and re-build the front. They brought their map they had drawn that showed the existing plan and the future plan. Don moved to accept their plan and Tammy seconded, approved unanimously.

Don moved to be adjourned, Tammy seconded, 7:30 pm, approved unanimously.
