BOARD MEMBERS PRESENT: Mayor Weston
Lana Peart, Clerk
Melanie Limb
Larry Kennedy

ABSENT: Sim Bell, Brian Weyers

GUESTS: Bryce with CAPSA, Lauren and Heather Thomson

Mayor Weston called the meeting to order at 7:30 pm.

The board first heard from Bryce representing CAPSA. He was here to inform the board about his organization's services. He especially wanted to make us aware of the sexual assault services, therapy, secondary survivor counseling, and prevention service they provide. Lana has his email and he left some cards to pass along to our residents.

The Thomson sisters were given the floor to state their reason for being here. They are starting a home business selling wild rags and t-shirts. They will be working out of their parent's home this summer, mostly advertising word-of-mouth. The board congratulated them on their willingness to open a business and set their Business License fee at \$10. Melanie made the motion and Larry seconded. They will bring their money and get their license from Lana tomorrow.

The Wilford Woodruff repair project was discussed. Mr. Francis will probably begin work this month. It may be hard to impossible to keep the visitor's center open during roof replacement. We discussed who the furnishings in the house belonged to and where we could store them during renovation. There is a possibility they will need to go to the Senior Center or to whomever actually owns them. DUP is also a possibility. Melanie will talk with Judy about continuing her greeting of tourists. There also needs to be some signage to tell visitors of the construction situation.

The summer job applications we had received were reviewed by those present. The board decided to offer the job to Jaden Groll. He met all the advertised criteria. The Mayor will explain to him the job demands and pay scale and see if he will accept the position. Melanie made this motion with Larry seconding.

The board discussed the scholarship applications that we had received. There were two applicants, and the Town Board decided to award each one \$500. Larry made the motion and Melanie seconded. Jaycee Cornia and Alysia Cook will each receive a certificate and check at graduation on May 28. Melanie will award them at the ceremony that day.

The minutes from March and April Town Board Meetings were discussed. Melanie made the motion to accept them, Larry seconded.

Melanie read two months' worth of bills and Larry made the motion to accept them, Melanie seconded.

The budget was briefly discussed. There were some questions that needed to be addressed. The board will either hold a work session sometime later this month or before the June Budget Hearing to discuss them.

The board discussed about what to do with the old nativity scene. It needs to be examined to see if it is any good. The old truck usage was also mentioned. It will be in use this summer by the summer maintenance crew.

Larry moved to adjourn the meeting at 9:00pm, seconded by Melanie, approved unanimously.
