## MAR-APRIL 2016

### ROLL ON HEALTHY DAYS !!

The 7th of March and I apologise for not writing sooner. We have had a very busy few months with so many new things arriving and lots of new faces to meet.

One little face that we have been missing is Kim's, as she had knee surgery two weeks ago and is recuperating well at home. I am sure you will all join me in wishing her a very speedy and great recovery. I have no doubt she will still be stitching away daily.

Kathryn has just moved home this weekend and we wish them a happy time too.

As for me I have had a break from all my treatments after chemo and the infection. I will have to start radiation this coming Tuesday. 33 daily sessions!

In January we had a great Sunday afternoon with our UFO swop and many ladies popping in. We also shared a beautiful day on our 1st Birthday, many thanks for all the flowers, cards and pressies.

World Cancer Day was a huge success and we raised just under \$100 with our little hearts tree.

Mid Feb my hubby took me on a very impromptu and beautiful trip away. We did a 10 day cruise from Sydney and I had an excellent break. Stunning weather and beautiful memories of the Great Barrier Reef.

Whilst I was away the girls and Granny did a gorgeous Valentines Day for the ladies who attended. The photos were amazing and I am so proud of my team.

All our groups and stitch-alongs are going great. I have seen so many happy faces and I am so proud of you all. There is however one very special lady that has not stopped stitching for some time. GRANNY has got involved in a huge way and we are so grateful to have those marvelous little hands on deck. Thanks to Mom and Dad. They were here for my birthday too and that was extra special this year.

Please pop in to see a sneak peak of our 1st 2 blocks for the Home-spun BOM !!

# BLOCK OF THE MONTH GROUPS 2016

## It's Time For Christmas

I fell in love with this Christmas quilt and so have many ladies I chatted to. So I have decided to stitch this quilt along with you this year. We will be meeting next on Friday 8 April from 1 to 5pm. Then again Friday 29 April 1-5pm Cost \$25 per month.

Our intention is to share our finished block and ideas each time we meet and by September we should all have a completed quilt for hanging with our Christmas goodies this year.

The choice of fabric is yours to choose. I will be making mine in similar colors to the pattern using some of the Mistletoe Lane fabrics

I have many fabrics and threads on hand which you may choose from or bring what you have and we can help you mix and match.

This is a wonderful opportunity to make this 44" square quilt. I guarantee you will be inspired and encouraged along the way.

The pattern is found in the new Quilted Gifts Book which we have available for \$19.95. This is an amazing book with 18 projects. Great value at just over \$1 per pattern. Its not a misprint, its wonderful. We have sold many books already, so just register for the class and be ready for next Xmas. It is never to late to join.

## ROW BY ROW WITH KIM

To celebrate the launch of Moda's new book we will be running a monthly Row of the Month class using this book as our guide. There are 24 rows and you will choose the rows you wish to make for your quilt. We will be making the quilt shown above as we both adore the little clothes and the whole scrappy look. You will need a copy of the book, we still have some in stock @ \$44.00.

This class will be run once a month on a Wednesday from 9.30 to 3.30pm Next dates 16 March and 13 April. Cost \$40 per class.

It is also a fundraiser as each book purchased will benefit the No Kid Hungry foundation who are dedicated to ending hunger in children with their school breakfast programs.

Please register soon as we will only be taking 8 students per class.

Some errors in printing this book so if you have purchased one from us please get the amended print out from us.
