

## How it works:

Register for 12 Days of Christmas at Beehive Quilt Shop for the 2025 Shopping Season!

**Why?** We need to know if we are **shipping** OR if you are **picking up** your items in person. This will help our Christmas Elves get your packages to you as soon as possible! Shipping customers will be billed actual shipping cost. Will start mailing *As Early As Possible* to get items to you before Christmas

## How to Shop

Each morning, we will share an **online Google Form** where you can select and purchase the featured items for that day. Simply click the form link, check off the items you'd like, and submit.

**Important:** The **ONLY** way to receive the special prices and bundles is by ordering through the Google Form.

We set aside every item you order, and after the final day, we gather everything together, create any custom kits shown during the event, and build your bag!

## Daily Showcase

**Facebook Live every day at 9 AM** featuring that day's specials. The video will be uploaded to **YouTube** shortly after. A daily reminder email will be sent **ONLY** to those who pre-registered.

Watch wherever you prefer—Facebook, YouTube, or through the reminder email—and then click the day's Google Form to place your order.

## Daily Order Forms

\* A **new form is released each day**. Each form is open for **48 hours**. Some items are **limited**. We will do our best. The form link is also available on our website. Please be sure to use the **same email address every day** so we correctly consolidate your orders—this prevents duplicates like having multiple “Lisa Smiths.”

## Bag Filling Bonanza

At the end of the 12 Days—on **December 13th**—Beehive Quilt Shop transforms our kit department and upstairs mezzanine into a Christmas assembly-line extravaganza!

We spend several days sorting, organizing, and packing all your goodies into one magical bag.
