Essentials Strip Set Quilts - Steeplechase

Please read all instructions carefully AND identify all fabrics before beginning.
All instructions include a 1/4" seam allowance and strips are cut selvege to selvege.

1. TWO SET QUILT - Sort the fabric strips:

If using a light set of strips and a dark set of strips, the strips are already sorted. Set aside 3 light strips and the 3 lightest dark strips for the binding.

If using strip sets that have a mixture of light, medium, and dark strips separate strips into piles of 21 of the lightest strips and 21 of the darkest strips. Reserve the remaining 6 strips for the binding.

Directions for all quilts are written for random placement of fabrics as shown in single colorway quilt and runner. If the gradated look in the two colorway quilts is desired, extra planning will be required.
