# Artspira

The perfect mobile app for embroiderers and crafters of all skill levels. Edit, create, and design easily with the Artspira design platform, only from Brother.

### Get inspired with embroidery and cutting designs.

Use your mobile device to create one-of-a-kind embroidery designs that are as unique and beautiful as you are. The Artspira mobile app also includes many fonts and designs, such as flowers & plants, animals, shapes, and much more.

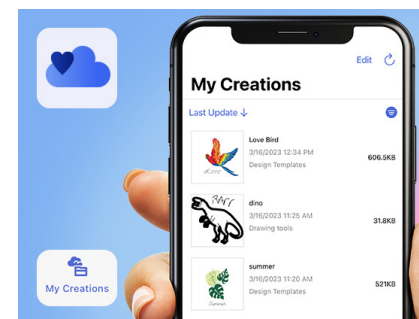

### Find, edit, and transfer design templates in one place.

You can personalize each of your projects with ease using the user-friendly design tools and editable text, allowing for limitless customization possibilities. Additionally, you can conveniently store up to 20 of your customized designs in the "My Creations" tab, ensuring easy access and organization.

### Browse step-by-step projects for beginners.

Explore a wide range of trendy designs for your embroidery, cutting, and combination projects. With the Artspira app, you can receive personalized design recommendations directly on your app homepage and stay updated with a constant stream of new and exciting designs being added regularly.

### Receive designs and new idea inspiration weekly.

Enjoy the weekly Artspira digital magazine, packed with fresh project ideas and useful tips. New projects and tutorials are regularly uploaded to assist you in getting the most out of your Brother embroidery and crafting machines.

### Transfer designs wirelessly.

Seamlessly transfer any design wirelessly from the app to your Brother embroidery or cutting machine, making your creative process faster and more convenient than ever before. With a wide range of fonts, designs, and customization options, you can bring your unique vision to life with ease.

### Start creating now!

Download Artspira directly to your iOS or Android device and enjoy the convenience and functionality it brings. With Artspira, you can effortlessly connect and utilize all the powerful features of your Brother wireless LAN-enabled machines.
