

## Dillard House Quilt Retreat 2018

### Last minute info, table assignments, and answers to the questions you've asked:

- **Check in time in the conference center begins at 9:30 AM.** (Note this is earlier than previously announced.)
- Don't forget your **LONG heavy-duty extension cords and Power strips.** Your table will need to work together to get everyone plugged in. The Dillard House does not supply cords.
- Don't forget your power cord and foot control for your machines.
- Yes, I will have my new book Catitude XL, the XL tool and other Creative Grids tools and patterns at retreat. Yes, you get a retreat discount plus I cover the sales tax.
- Remember personal irons are not allowed because we blow the breaker when too many are plugged in. Your table group needs to bring and share (2) irons and ironing boards.
- Design walls are not allowed.
- **Don't forget to bring a cutting mat.**
- Both Franklin shops: Sassy Stitch and A Stitch in Time will open at 9:00 am on the Monday of your session for your shopping convenience. Both plan to send coupons which I will pass out at lunch on Monday if you'd like to shop later in the week.
- **Don't forget that opening announcements and lunch at 12:00 noon on Monday.** If you plan to shop that morning make sure you are back in time for lunch and announcements. I will also draw for several door prizes at this time and you must be present to win.
- Table groupings were difficult this year. I did my best to keep you near the people you requested but its always a numbers game to balance out a table of 8. BUT, let's all remember to get up, walk around and make new friends. That's half the fun of retreat!
- Don't forget your show n tell. If you participated in the Grids Girls mysteries- bring them. I'd love to see them in person.

Table assignments are on the next page for both sessions. I reserve the right to make changes up until the day of check in if I missed someone.
