Block 34 Dandy Lion

Block 34 Dandy Lion  
Deco Gardens MGD #400

Instructions:

Cut out background square 13" x 13".

Trace templates onto fusible web. Label each template.

Cut out around templates.

Fuse templates to wrong side of fabric.

Cut out on the traced lines.

Tape pages of layout guide together on the registration lines.

If using black background trace layout guide on wax paper with a permanent marker and tape to the top edge of the layout guide.

Pin background fabric to the layout guide.

Remove paper backing from templates and position on the background fabric using the layout guide overlay.

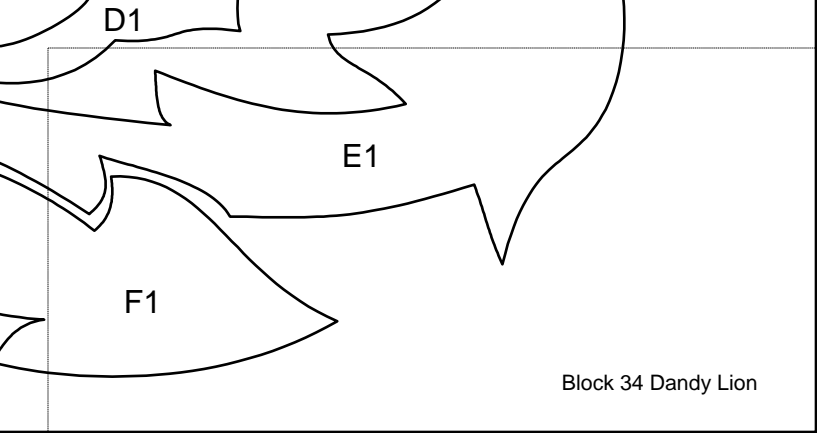

Fuse in place.

Pin tear-away stabilizer to the back of the block.

Edge stitch all applique patches using matching thread.

Remove stabilizer.

Trim block to 12-1/2" square.
