Class Title	Color Confidence for Quilters
Type of Class	Hands-on Workshop (no machines needed)
Time needed	2-3 hours
Student Limit	30
Classroom Equipment	Tables arranged in a U-shape for a smaller group or in rows for a larger group. 2 people to a table. Quilt rack for large quilt and an easel.
Class Description	This is not your traditional color class. Develop confidence in choosing colors that you love in fabrics that make you happy. Learn the vocabulary of color using the simple 12 hue color wheel, and the properties of color as applied to quilt fabrics and quilt design. Learn lots of tips and tricks in the process for making your next quilt radiant with the colors you love. You will become a color expert with the tools you need to make great color choices.
Benefits of Class	<ul style="list-style-type: none"> • Color theory applied to the fabric industry not paint. • Hands-on practice is viewing color in print, crayon, & fabric. • Learn to use a color wheel to choose fabric combinations. • Develop a useful color vocabulary as applied to fabric. • Train your eye to see color in a different way.
Supplies Needed	1 color photo or picture from a non-quilt magazine which uses colors you love. Twenty (20) 3" squares of fabrics you love from your stash
Kit Fee	\$20
Kit Contents	Full size color wheel, fabric swatches of pure hue fabrics, box of 24 Crayola crayons, three color wheel coloring pages, color theory card, color scheme handouts, notebook and pen, plastic portfolio for storing color kit.
Optional Items for sale	Pocket color wheels \$5 Large Watercolor color wheels \$10 Color Tool based on 24 color wheel \$20 Additional fabric swatch packs \$2
Other considerations	This class is a lot of fun and highly interactive. It builds confidence as well as knowledge.
project photo	see below for sample of color wheel quilt used in the class.
