## Cutting Instructions:

For the quilt blocks (quilt center) cut the following templates. Make 36 pieced triangle blocks. (Fig. l)

Templates $A$ and B can be cut using From Marti Michell ${ }^{\text {M }}$ 2-1/2" Strippers Templates for fast and accurate cutting. Use the templates to trim the points.

Templates D, E, F are cut without seam allowance and are fused in place centered on an A triangle. Do not trim points on these patches. These triangles can be cut with any $60^{\circ}$ triangle ruler with pointed tips.
