

Ziggy Diamonds Supply List

Instructor: Reeze L. Hanson

Morning Glory Designs

6 hour class

Kit Fee: \$45 Kit includes

- Full color pattern and instructions for the Wall Hanging (with additional instructions for more sizes).
- 60° Diamond Template with ruler grips*
- 1/4" seam guide
- 1/2 yard black pimatex fabric
- 1/4 yard white pimatex fabric

Supplies Required for Class [Wall Hanging Size]

- 2 identical Jelly Rolls or 1 Jelly Roll with 2 strips of each color.**
A Fat Quarter Bundle can be used INSTEAD of the Jelly Roll.
- Rotary cutter with a new blade.
- 12" or larger rotating cutting mat.
- Seam Roller (Irons are available in the classroom, but personal irons are not permitted) →
- Portable design wall: batting or flannel-backed tablecloth
- Basic sewing supplies, including a sharp seam ripper
- Thin pins (I like Magic Pins™ Extra-Fine 0.4mm, Silk Pins 1-7/16")

Wall Hanging: 37 x 50

Runner: 27 x 50

*Pre-Cutting Notes:

A 60° diamond template comes in your kit, but if you want to pre-cut some diamonds in advance you can purchase one from www.morningglorydesigns.com, Missouri Star Quilt Company, or *From Marti Michell™* Strippers Template Set. Jaybird Quilts Sidekick Ruler™ can also be used to cut 2-1/2" 60 degree diamonds.

**Fabric Color Considerations:

- This quilt uses 9 - 12 colors, with a light and dark of each color. The colors don't have to match closely, they just need to have enough contrast between them.
- If using busy prints, colors don't have to match in each diamond, but there needs to be contrast between the fabrics in the outer ring and inner ring of each diamond.
- You need 16-17 diamonds for each outer diamond ring. (You can only cut 13 diamonds from a 2-1/2" x WOF strip, so you need two strips for the outer ring colors.)
- You need 8 diamonds for each inner diamond ring.

Medium Size: 47 x 66
