SATURDAY OCTOBER 15, 9-10:00 AM
SATURDAY IS A REQUIRED MOCK DISASTER DRILL

TUITION \$35 (Includes Equipment Pack)

TO REGISTER CONTACT ELK RIDGE CITY 801-423-2300

We are happy to announce our FALL 2016 CERT CLASS has been scheduled and is filling fast! Did you know that if we had a true emergency in our area we could be without outside help for 72 hours or more? Gas lines may not be operational, power may be out, water may be out or contaminated. The Elk Ridge CERT team will be the first line of defense to back up and support our EMS professionals. Now is your chance to get the training you need to be part of the solution! In response to your many requests, these two classes will be held on Thursday nights instead of taking an entire Saturday. You will then receive your packs at the disaster drill that following Saturday morning. We will meet for orientation at 8 AM & the drill will begin at 9 AM.

Ages 18 AND UP (12-17 IF ACCOMPANIED BY AN ADULT)

Please join us, it is better to be prepared by design than a victim by default.
