Interested parties may declare their candidacy for an office in person between June 1 and June 7, 2023, at the City Hall with the City Recorder located at 2191 E. 6550 S. between 9:00 and 5:00 P.M.

Depending on when this letter finds you, declaration for city council candidacy may have closed. If not, and if you've been debating declaring, please do so.

CULINARY WATER

After 50+ years of service, the Bybee tank has been taken offline and retired. The first of the two-tank system is online, storing/delivering water to the city. The project is scheduled for completion this fall.

Please see the cross connection/back-flow survey sent with this newsletter. Every so often it is important to know how water is being used and where the potential hazards and weaknesses are within our water system. Please fill the form out and send back, we need a response from each property. If you want additional information, please contact me. An electronic copy can be found on the city website.

100th UDAY CELEBRATION

Hope to see you all at the 100-year anniversary celebration of Uday. Liz Minster has done an exceptional job at organizing and chairing this year's celebration. Often a thankless job so if you see her, pass along your thoughts if you enjoyed uday. Please take note of the sponsor list and all the wonderful people it takes to put on a celebration like this for us to enjoy each year. Thank you for all your time and effort. Please see the city website and facebook pages for detailed information of events.

Thank you,

-Kristi Bell
