

I also couldn't put it together without some very good friends and citizens that give so freely of their time. Thanks Diane and Greg Johnson, Stephanie Howell, Jeff Holden, Scott Knudsen, Crystal Western and Darinda Wallis!! Also thank you to the fire department for hosting an amazing breakfast!!! Until next year!

- Michelle Roberts

## Bonneville Communities That Care

Hide in Plain Sight: Current Drug Concealment Trends and Identifiers

*A fast-paced, information packed presentation you don't want to miss*

For more than 15 years, Officer Jermaine Galloway has focused on drug/alcohol abuse prevention and enforcement. He has taught and given presentations to a diverse group of people, including fellow police officers, parents and teachers, treatment counselors, probation officers, law enforcement officers and religious leaders across the nation. On May 10<sup>th</sup>, Bonneville Communities That Care has arranged to have him do a special presentation focusing on opioids and marijuana to our community members. This special Town Hall will cover alcohol and drug clothing, drug concealment methods, and a wide array of other important information.

Two of his most recent awards include: In 2017, Officer Galloway won the national Enrique Camarena Drug Awareness award from the national Elks Drug Awareness Program. In 2015, Officer Galloway's program, You Can't Stop What You Don't Know was highlighted in the book, "Clearing the Haze" – Helping Families Face Teen Addiction.

Officer Galloway has presented to standing room only crowds for the Weber School District, don't miss this opportunity to hear and learn from him yourself. This is a fast-paced, information-packed presentation. Seats are limited and on first-come first seated basis! Be sure to put this on your calendar and plan to attend now!

TOWN HALL MEETING: Thursday, May 10<sup>th</sup> @ 6:00 – 7:00 p.m., Weber School District Office

## The Chief's Office

Seems as though Spring is in the air here in Uintah, but we all know Old Man Winter usually comes for his last Spring Fling. Let's hope that does not happen this year. First and foremost, we would like to thank everyone who came to support us for our Annual Pancake Breakfast before the Easter Egg Hunt. It is so great to see the people of Uintah. For those of you who missed it, we will see you for the Pancake Breakfast during U Days.

Now that spring cleaning has begun as well, if you do not already know, Open Burn Season is now open. Please visit the Uintah City website for permit instructions and regulations. If you have any questions about your permit, or how to keep your property safe from fire danger, please feel free to contact the fire department and we will be happy to answer any questions you may have.

March was a busy month for the fire department. Not only for the calls that they received, also for the training and activities that happened throughout the month.

We were honored to be recognized by Lyndsey and McKynna Morgan for working on the Uintah Fire. By far that was one of the highlights of the month. Many of the firefighters were also given a citation by Chief Sacco for their meritorious work at the Uintah Fire as well. Four of Uintah City's firefighters; Alex Lukehart, Casey Christiansen, Candice Jensen and Terrance Butler were sworn and badged in to the department this month as well. This means they completed their probationary period and all required trainings that were needed prior to the swearing in ceremony.

The department also adopted the highway directly south of Uintah on Highway 84, so do not be surprised to see the firefighters out there from time to time. Keeping our city clean is as important to us as keeping our city safe. We also would like to thank Boy Scout Troop 436 for coming for a station visit to learn about firefighting and some of the equipment we use.

Feel free to stop by the station to meet the Chief or any of our firefighters, and if you would like to reach Chief Sacco directly, you can do so at [msacco@uintahfd.org](mailto:msacco@uintahfd.org).
