## From the Mayor's Desk

**NEW HIRE** – The city is excited to announce that Nate Hadley has accepted the part time public works position. Many will remember that Nate worked for the city in the past. He brings a lot of knowledge about the city, and the people who live here, to the position. WELCOME BACK NATE!

**ROADS** – As we get ready for winter and snow packed roads, a friendly reminder that city ordinance prohibits parking on public streets when snow removal is necessary or imminent, and for 72 hours after a storm. Please be respectful so we can get the roads plowed as quickly as possible. Also, please keep fire hydrants clear and visible.

**CONTRACT CITIES MEETING** – At the last meeting with the sheriff's office, the sheriff explained he wants to hire 6 more deputies in the coming year. This could increase our costs. We are all aware that law enforcement state wide is increasing their budgets to hire and keep peace officers. We will inform the citizens of Uintah as more information becomes available.

**FIRE DEPARTMENT** – We continue to need firefighters. Contact Chief Sacco if you are interested.

We continue to try to address issues with Combe Road and the proposed RV park (in South Weber) at the west end of the city. We just celebrated Veterans Day. Thanks to all our veterans and their families. Please have a Happy Thanksgiving.

- Gordon

## Communities That Care

The Bonneville Communities that Care (BCTC) coalition was formed in April 2011 to address underage drinking and use of other drugs. Since that time we have grown and now also work to prevent opioid misuse, tobacco and e-cigs among the youth. At the core of all of our efforts are scores of volunteers who drive the efforts of the coalition. These volunteers do the work of the coalition such as assisting with our 5K-Half Marathon, participating in city parades, assisting Take Back events and school family nights. They also do behind-the-scenes work such as evaluating statistics. We've grown and we need more volunteers to join us. It's a great place to volunteer - you decide your level of involvement - you can make a difference in as little as one hour a month. Please email us at [BonnevilleCTC@weberhs.org](mailto:BonnevilleCTC@weberhs.org) for more information on how to join.

- Kristi Bell

## A Big Thanks

Please let me take this opportunity to thank you for your vote of support in the past election. I feel like so many of you, that Uintah is a great place to live. I pledge my time and commitment to help keep it the Uintah that we all know and love. I would also like to congratulate you, the citizens of Uintah for your participation in the election process. According to the Standard Examiner, Uintah residents ranked above many communities in the county for voter participation. That tells me once again, that we are interested in our community and want the best for the city and its residents.

As many of you know, Scott Knudson is retiring from his duties with the city. I would like to publicly thank Scott for his dedication to helping maintain the city. He has mowed, groomed, and manicured the city park, the grounds, around the city office, and the cemetery along with many other areas within the city boundaries for a number of years now. I have received countless compliments over the years for how nicely they were kept. I have been quick to point out that it is the hard work of Scott and Jeff. Thank You Scott for your years of dedicated service!

As we begin the Holiday Season this year, may I also take this opportunity to wish each of you the best of the season. I hope that you will have time with your families and friends, and that you may be able to enjoy this time of year for all that it has to offer. Quoting Tiny Tim in Charles Dickens A Christmas Carol, "God Bless Everyone".

- Jerry Smith

## Fire Department

Cooking fires are the #1 cause of home fires and home injuries. Additionally, Thanksgiving Day and the day before Thanksgiving are two peak days (#1 and #4, respectively) for kitchen and home cooking fires.

It is highly advised to keep an eye on both your cooking equipment AND small children while food is being cooked/smoked/fried to help prevent home fires and injuries. For more info, visit:

<https://www.nfpa.org/Public-Education/Fire-causes-and-risks/Seasonal-fire-causes/Thanksgiving>

- Chief Sacco
