

Preservation I-84

(Riverdale Road/SR-26 to US-89)

The Utah Department of Transportation (UDOT) is scheduled to begin work on a preservation project on Interstate 84 (I-84) on April 1. This work will consist of replacing sections of concrete pavement, replacing the asphalt shoulders, and improving the smoothness of the entire corridor for a better ride.

OVERVIEW

- Work on I-84 from Riverdale Road to US-89 is projected to begin April 1 and be completed by July 1.
- One lane will be open for eastbound and westbound traffic on I-84 throughout the duration of the project.
- Night ramp closures from US-89 to I-84 and Adams Avenue Parkway (475 East) to I-84 are expected.
- Work will occur Monday through Saturday from 7 a.m. to 5 p.m.

WHAT TO EXPECT

- Motorists can expect lane closures on I-84 from Riverdale Road to US-89.
- Motorists should expect delays up to 15 minutes during work hours.
- Sunday work may occur occasionally throughout the project – please check the project website for updates.
- **Dates and times of construction are subject to change based on weather and equipment availability.**
- **Please travel slowly through the construction zone and follow posted signs.**

For updates on the project please visit the project website at www.udot.utah.gov/go/i84work or contact the project team at 801-707-3662 or at i84work@utah.gov.
