## TRAINING

The department completed it's regularly schedule training drills.

<i>Training:</i>							
<i>Mandatory Training</i>				<i>Optional Training</i>			
<b>Fire Offered</b>	<b>EMS Offered</b>	<b>Monthly Offered</b>	<b>YTD Offered</b>	<b>Fire Offered</b>	<b>EMS Offered</b>	<b>Monthly Offered</b>	<b>YTD Offered</b>
5	0	4	10	2	8	10	21

During these training offerings the following skills and topics were covered:

- Toxicology / Psychiatric Patients
- Cardiovascular System / Hematology
- Hazardous Materials Awareness
- Cardiovascular Emergencies / AED / Auto-pulse
- Respiratory Emergencies
- Gynecology & Pregnancy / Non-Traumatic Musculoskeletal
- Trauma Overview / Field Triage
- Hazardous Materials Operations
- Multi-System Trauma / Soft Tissue Trauma
- Railway Awareness Training (Union Pacific RR) with Ogden Fire
- Chest, Abdominal, and Orthopedic Trauma

## PERSONNEL

	<b>Authorized</b>	<b>Staffed</b>	<b>Variance</b>
Chief	1	1	0
Deputy Chief	1	1	0
Captain	2	2	0
Firefighter	12	8	-4
<b>TOTALS</b>	<b>16</b>	<b>12</b>	<b>-4</b>

**Current Vacancies:**     4 Volunteer Firefighters

## Personnel Changes

### Hiring

Probationary Firefighter Anna Burton has joined the Department. She does not have any certifications however works as a small engine mechanic which will be beneficial to the department's small engine repair needs. She will begin EMT training April 21, and Fire Training has already begun.

**Addition to Staff: 1**

### Personnel Change Summary

Reduction in Staff	0
Addition to Staff	1
Net Change to Staff	+1

## Personnel Certification

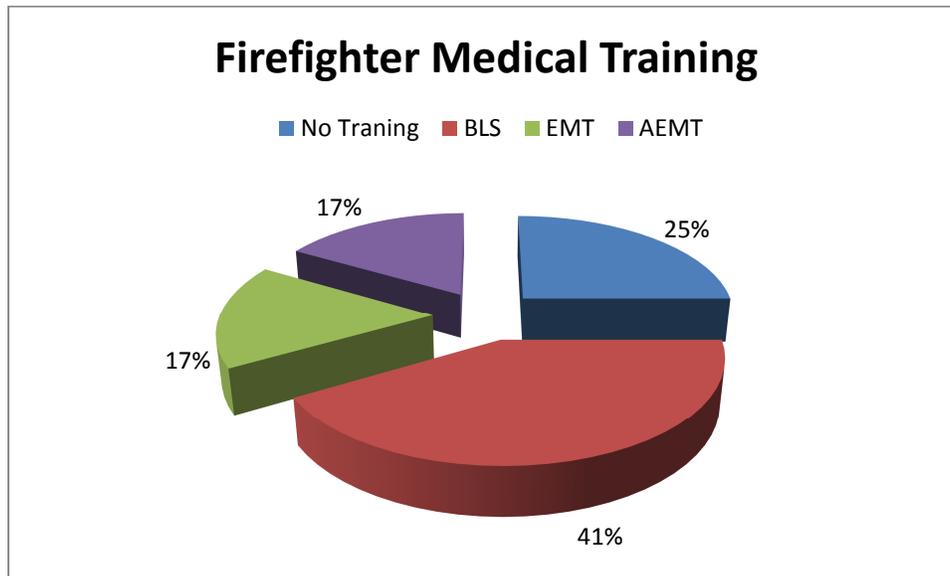

### FIRE CERTIFICATION SUMMARY<sup>2</sup>

---

<sup>2</sup> One of the Firefighter II is also certified as Fire Instructor I

## EMS CERTIFICATION SUMMARY<sup>3</sup>

## FIRE PREVENTION

<i>Fire Prevention:</i>	Monthly Total	Year To Date
<b><i>Required Inspections</i></b>	0	1
<b><i>Voluntary Inspections</i></b>	0	0
<b><i>Plans Review</i></b>	0	0
<b><i>Vegetation Mgmt Inspection</i></b>	0	0
<b><i>Code Enforcement/Nuisance</i></b>	0	0
<b><i>Fire Investigations</i></b>	0	0
<b><i>Life Safety Education Presentations</i></b>	1	1
<i>*Number of Participants</i>	30	30

The Fire Department made a public life safety education at the request of the LDS Church. The presentation was made to Special Needs Children in the area. The presentation included demonstration, coloring activity, and allowing the children to manipulate some of the firefighting equipment (i.e. Turnout Clothing, SCBA) as well as explore Engine 91.

<sup>3</sup> One of the Advanced EMT (AEMT) is also certified through B.E.M.S. as an EMS Instructor

## APPARATUS STATUS

**ENGINE 91**

**Status:**

**IN SERVICE**

**First Due Engine**

**1999 Pierce 1000 Gallon Tank / 1500 GPM Pump**

Recent Issues Addressed

- The Electronic Pump Control Panel went out as a result of a wire coming loose. AES contracted to conduct repair.
- Missing Cross-Lay Hose Bed Cover replaced with a piece of Diamond Plating

Immediate Maintenance Issues

- Floor control switch for windup siren in-op. Re-wiring new switch, repairs being done in house.

Future Issues / Foreseeable Needs to Address

- Current scene lighting is a 15watt halogen light, in which the switch/fuse keeps burning out. Light head will need to be replaced with at least 20 watt light head.
- Engine 91 needs a battery charging system installed, along with a shore line power supply so that electronic equipment (i.e. flashlights/radios) can be charged while the vehicle is not in operation and draining the battery.

---

<sup>4</sup> Budget accounting is dependent on reporting from City to Department and may not include expenditures that have not been processed yet. Information provided is the most current information provided to the Department. For more current information contact the City Recorder.

**BRUSH 91****Status:****IN SERVICE****Light Brush Truck****2000 FORD F350 250 Gallon Tank / Brush Pump**Recent Issues Addressed

- None.

Immediate Maintenance Issues

- Vehicle speedometer is not functioning. Trouble shooting issue in house.

Future Issues / Foreseeable Needs to Address

- Scene lighting needs to be installed on vehicle for night operations

**BRUSH 92****Status:****IN SERVICE****Heavy Brush Truck****1970 AM General M35A2 – 1000 Gallon Tank / Brush Pump**Recent Issues Addressed

- Battery Terminals Replaced
- Vehicle was drawing down battery – isolated the power draw to the light bar control, installed a power switch in house which broke the circuit and fixed battery drain

Immediate Maintenance Issues

- None

Future Issues / Foreseeable Needs to Address

- The brush pump installed in this heavy brush is inadequate for the movement of the 1000 gallons of water the truck carries. The pump engine is also aging, and will need to be replaced.
- The vehicle needs a headset/intercom system installed. When the vehicle is on, with the elevated muffler (at cab level) it is impossible to communicate within the cab or communicate on the radio – this is an OSHA hearing protection, and communications/safety issue.
- Vehicle requires scene lighting to be installed for night operations.

## **STATUS OF SIGNIFICANT ISSUES DEPARTMENT IS ADDRESSING**

- The Department continues to provide information with and attend meetings of the Weber County Fire-Subcommittee.
- The Department also provides information with and attends meeting with the Weber County Fire Officers Association.
- The Department has begun attending meetings for Weber County Fire Protocol/Policy Committee.
- Ogden Fire Department is hosting Summer Fire Training for all Weber County Departments. Chief Pope was invited to be on the planning board for that training series, and Uintah Fire Department will be participating in the various Summer Training Offerings as well as providing training in conjunction with Ogden Fire in High Rise Response to the other Weber County Fire Departments.
- Hill AFB has requested Uintah Fire participant support in a Crash Exercise in May as well as providing augmented support fire/medical services for the air show on Hill AFB in June. The Department will be participating in both.
- The Department has been working with Councilman Greg Johnson in the planning, establishment, and execution of a Uintah Community Emergency Response team (civilian response teams). We have also been working at consolidating resources and efforts with this program alongside South Ogden Fire's programs and the County CERT Council.
- The Department has been invited to participate in a County Mass Casualty Incident training exercise, revolving around an earthquake to test county Surge capabilities. We will be participating in this exercise in April.
- The Department has submitted a Federal FOIA request to FEMA for the peer review information regarding our failed FEMA AFG/SAFER grant (recruiting/retention grant) to determine where the weaknesses of our application existed.
- The Department continues to prepare the Application and Self-Audit requirements for submitting our request to become accredited with the Utah Fire and Rescue Academy to teach and certify non-affiliated members (thus creating an income revenue stream for the department).

D. **Department Review:** Fire Department

E. **Significant Impacts:** This report is for informational purposes only. If the Council has specific questions or concerns that are not addressed in this report please contact Chief Pope at (801) 425-2802 or [wpope2953@gmail.com](mailto:wpope2953@gmail.com)
