Hi everyone!

I returned from Handi Quilter Retailer Academy with new ideas for projects and quilting. I brushed up on my trouble shooting and technical skills for the Handi Quilter long arm machines.

The floor models in the shop need a new home, maybe it is your home. Great prices on the Amara, Forte and Moxie. Stop in and test drive the machines.

The new Amara ST is set up and ready for a test drive. I have a new Forte with a pro stitcher that is still in the box, purchase now and get the full warranty. Call for prices.
