Happy July 4! This holiday will probably not look the same as in the past, but we can still show our patriotism. The shop will be closed on July 4, 2020.

In June of 2000, the Quilt Peddler opened in 620 Lamberd Ave. Thank you to all the customers throughout the years. I started a 20 year celebration in January by putting 100 bolts of fabric at \$9.00 a yard when purchasing one yard or more. Each month more bolts are added to the special. I will continue adding bolts throughout 2020. Looking back this was a good choice opposed to having a one week sale with many customers in the shop at one time. Enjoy the year- long sale!

Thank you for following the Mask requirements. I still get emails from the governor's office stating that masks are required for workers and customers.

Come in and see the new fabrics that have come in. We have received a couple different panels that will make a quick easy project.

Class size has been increased to 12 and the mask must be worn when out of your seat. Thank you for helping to keep us all safe.

The telephone number in the June newsletter was my home telephone number. The correct number to reach the shop is listed above.

Thank you, Lugene Shaver
