

The Quilt Peddler Event with Handi Quilter Education!

The classes being offered on October 29, and October 30 are listed below. Our Handi Quilter Educator is Karen Arnold, her profile is attached.

Class 5-B– Moving on with Pro-Stitcher (update with latest features)

Friday, October 29, at 9:00am to 12 noon Class fee \$40.00

Part 1 Class Description Ready to expand your Pro-Stitcher knowledge? We'll tackle borders, sashing and corners with the great features found in Pro-Stitcher. Making designs fit in any block shape is a breeze with all of our great Skew options. You can even create your own designs using all the great functions in Record.

Topics Include:

Managing sashing, borders and corners

- Skewing into any size or shape
 - Quilting areas larger than the throat-space of your machine
 - Cropping, rotating and resizing for customization
 - Creating your own designs with Record and Mark
-

Friday, October 29, at 1:00 pm to 4:00 pm Class fee \$40.00

Part 2 – Advanced Pro-Stitcher – Offered only with Part 1.

Class Description Are you ready to take your Pro-Stitcher skills up notch? This class focuses on combining designs to create new options for your quilts. Next, we'll take the basic edge to edge and show you how to set it up three ways, and then focus on advancing your quilts for maximum accuracy. Finally, we'll discuss repositioning and all ways you can use this powerful tool.

Topics Include:

- Combining designs
- Setting up edge to edge designs 3 ways
- Advancing your quilt
- Cropping the bottom of an edge to edge design

Repositioning your design and making a new start point

Class 2-A– Free-Motion Quilting. You Can Do It! (Saturday, October 30, 9:00 am to 12 noon)
Class Fee \$35.00

Class Description: Ready to tackle free-motion quilting? It’s as easy as starting with a few simple shapes! By beginning with drawing, you can develop an inventory of free motion designs that you can stitch out continuously. Fun fills, creative borders and easy blocks will all be demonstrated. Quilting out beautiful designs using free motion techniques will take your skills to the next level.

Topics Include:

- Drawing basic free-motion designs in a continuous line
- Scaling fills for backgrounds
- Creating your own edge-to-edge designs
- How to fill borders evenly
- Micro quilting and using different feet

Class 4-C–Feathers, Vines, and Spines (Saturday, October 30 at 1:00 pm to 4:00 pm)
Class Fee \$35.00

Class Description: Ready to spice up your feathers? Feathers make a great foundation for any quilting design. Adding swirling curls, meandering vines and filled spines add pizzazz to this basic foundation. We’ll learn to customize your feathers to your project and make them fit in everything from geometric designs to wrapping around corners.

Topics include:

- Different feathers to create variety
- Decorate and fill your feathers and spines
- Swirls, curls, vines and leaves

Wrapping feathers around corners and borders
