Classes

• Anything Goes Bag \$40 Monday, May 14th (Pt.1) and 21st (Pt.2) evening 5:00-ish to 8:30pm

Just about anything can fit into this large tote bag. This bag is made from fabric tubes filled with batting for a slouchy, soft look, or double sided fusible batting for a bag that stands tall. Leave plain, or add a closure and pockets on the inside. This bag is a great way to use up those extra pieces of batting you never know what to do with but can’t toss away!

• It’s “Almost the Same” Bag \$40 Monday, May 14th (Pt.1) and 21st (Pt.2) evening 5:00-ish to 8:30pm

This copycat bag is also a large tote with the same capacity as the **Anything Goes Bag** but is much more pliable. We’ve changed up the handles and eliminated the batting, but the strip construction remains the same. This bag also uses the same shaping technique to give the tote a rectangular bottom; add buttons, and this could become a reversible bag!

• Jelly-roll Rug \$30 Tuesday, June 12th 10am-4pm

This cute area rug uses one Jellyroll precut, or you can cut your own 2-1/2 in strips to coordinate your room colors. We use batting and a similar folding technique as the **Anything Goes Bag** to create our “rope” coils. This rug will remind you of the old fashioned braided rugs, only with a new twist.... And you made it yourself! A fun and relaxing project.

• Climbing Rose Quilt \$35 1-day class Wednesday, May 23rd 10am-4pm

Floral setting squares flourish on a garden trellis of Irish Chain blocks made from four simple strip sets. This quilt features pieced blocks and non-pieced blocks which are then set "On Point" and sewn into diagonal rows. Each row begins and ends with setting triangles and has 4 corner triangles. An inner border and outer border finish the top.

• Scrap Crazy \$30 Tuesday, June 5th 10am-1pm or Wednesday, June 13th 6-9pm

The Creative Grids Scrap Crazy 6” templates utilize 4 acrylic pieces to create a pieced block. In this class you will learn how to stack fabrics and cut multiples in a matter of minutes using 4 different fabrics then sewing to create a block pattern. By joining other quilt blocks you will create a secondary design in your quilt top.

Instructor: Amy Johnson

• Poppins Bag \$40 (3 Parts) June 4th 5:30-9pm, June 11th 5:30-9pm, and June 18th 5:30-9pm

This is a large sized zipper bag with pockets on the inside and outside, making it so easy to keep yourself organized. It uses structural stays to help give the bag shape and form. We will be using focus fabric or horizontal directional printed yardage and channel stitching the body.
