Quilt Top Assembly

All seam allowances are 1/4" and pieces are sewn right sides together. Press after each addition.

- Sew a **C1** border to each side of the panel. Sew a **C2** border to top and another to the bottom of panel.

Flying Geese

- Draw a diagonal line on the wrong side of twenty-five **B5** squares. With right sides together, place a **B5** square on the left side of an **E1** rectangle. Sew on the drawn line. Trim 1/4" from the seam and press open the triangle. Noting the orientation, place a **B5** square on the right side of the **E1** rectangle and sew on the drawn line. Trim 1/4" from the seam and press. Repeat to make a total of twelve **B5/E1** flying geese units (figure 1).
