Home Machine Quilting Class with Teri Lucas

And now What?! Doodle Your way to Better Quilting

Class Fee \$100 (Includes Kit)

Saturday July 14, 2018

10AM-3PM

Doodling is a great way to figure out how to stitch a wide variety of motifs. Using printed quilt blocks to draw on we'll stitch feathers, swirls, arcs, and more. Doodling helps us to improve our stitching, especially when working with our dominant and non-dominant hands.

BERNINA Q24 Q-matic Longarm Introduction

This three-hour class is a one-on-one class for quilters who wish to rent our Q24 with Q-matic system. You will learn the basics of the Q24 (threading, changing needles, winding a bobbin, setting tension, hook oiling, cleaning, stitching modes, handle controls), longarm quilting-on-a-frame basics (loading a quilt, basting, beginning a stitch, ending a stitch, checking tension, advancing a quilt), and operating the Q-matic automated quilting system for edge-to-edge quilting (selecting a design, setting the safe sewing area, setting the quilt size, repeating a design, resizing the design, multiplying a design, trimming the design, realigning the safe area, recovering from a thread break).

A small "community quilt" will be completely quilted with a selected edge-to-edge design. Be prepared to take notes and ask questions! Includes a coupon for two hours of "monitored" rental time (to be scheduled). This coupon is non-transferable and must be used within sixty days of class completion date.

You must successfully complete this class and agree to Quilt Basket rental terms before renting our BERNINA Q24 Q-matic system.

Instructor: Allan Anderson (BERNINA Longarm Certified)

Cost: \$125 (FREE with your purchase of a BERNINA Q24 with Q-matic from the Quilt Basket.)

Availability: Starting August 1st. Call to schedule
